Learn and Play Preschool

Dear Learn and Play Families

Welcome to September! It's an exciting time as we begin a new school year. I hope you all had a wonderful summer and are ready for a year filled with fun and learning! Our monthly newsletter will be posted online and on the Lillio App. Please make sure to jot down all our special events and activities as we dive into September together!

Classroom Highlights

Learning Adventures:

This month, we are learning all about Apples and our Five senses. We are also learning "All About Me!" We want to learn all about each child, what makes them special & unique. We will also be talking about being good friends and why kindness and helping each other is so important. Please have your child bring a picture of your family to preschool. We will hang it in their locker. Our biggest goal this month is make sure everyone feels happy, comfortable and safe. Whenever they are feeling a bit sad they can go to their locker and look at their family picture. We are excited to go on this journey of learning and growing together!
